ARNOLD SCHOOL CODE OF CONDUCT

The Code of Conduct is based on a need for mutual respect. All members of the Arnold community have the right to expect a well ordered environment that is conducive to study. This right can only be provided when all members of the community accept their obligation to honour the Code of Conduct.

The two main principles are:

Everyone has the right to be treated with respect and to work in a clean, calm and safe environment.

This means:

- a) treating everyone with courtesy, respect and consideration.
- b) showing respect for others by working sensibly in lessons, and not disrupting the learning of others.
- c) caring for all members of the school community, for the buildings and equipment, and for the quality of the environment.
- d) showing consideration for others by moving around the school quietly and carefully.
- e) showing respect for the property of others.
- f) not saying or doing anything that encourages bullying.

Everyone is expected to make the most of their time at Arnold; all are asked to be punctual and well prepared for both lessons and other activities.

This means:

- a) coming properly dressed, and bringing everything you will need for lessons.
- b) arriving in plenty of time for the start of lessons.
- c) completing all work and homework on time, and to the best of your ability.

EXTRA-CURRICULAR ACTIVITIES

Full details of our wide range of extra-curricular activities are available on the school website and on noticeboards around school.
