DO NOT TAKE BAGS TO EXAMINATION VENUES

Registration is at 8.45am in your form room as normal and at 1.50pm with Mr Hayden in the Lecture Theatre.

Shorter examinations may be preceded with a period of revision and so you will need to have some revision material with you. If you do not have an examination timetabled you must report to the Lecture Theatre with some revision material.

If you are absent and miss an examination you must see the subject teacher and arrange to sit it as soon as possible.
